GLORIA DEANE & MITCHELL DOSSETT COAUTHOR ITEA JOURNAL ARTICLE

ATLANTA, GA – SRC Senior Analyst Gloria Deane and recently retired Senior Analyst Mitchell Dossett coauthored the March Inside the Beltway article in the March 2018 ITEA Journal of Test and Evaluation. The article, "Reciprocally Using International Test Facilities Under the Director, Operational Test & Evaluation (DOT&E) Test and Evaluation Program (TEP)," discussed how the strategy of cooperative test programs conducted under TEP agreements has contributed to interoperability with allied military forces.
