## **KATE SMITH COAUTHORS ITEA JOURNAL GUEST EDITORIAL**

**ATLANTA, GA** – SRC Senior Analyst Kate Smith was a coauthor of the June Guest Editorial in The ITEA Journal of Test and Evaluation. The article, “Test Resource Management Center: Statutory and Regulatory Missions,” written by G. Derrick Hinton, Denise De La Cruz and Kate Smith, discusses both the statutory and regulatory missions of the Test Resource Management Center (TRMC) as well as the need to attract and retain a skilled cyber workforce to support the National Cyber Range mission. The editorial also covers the ongoing Science, Technology, Engineering, and Mathematics outreach for DoD and the TRMC and their aim for workforce excellence.
