- Leading multiple ongoing Joint Test and Evaluation programs

# One Acquisition Solution for Integrated Services (OASIS)

- **OASIS is GSA's next generation contract vehicle for complex professional services**
- **Designed to address Agencies' needs for professional service requirements that:**
  - Span multiple professional service disciplines
  - Can contain significant IT components
  - Contain Ancillary Support components (e.g. ODCs)
  - Require flexibility for all contract types at the task order level
- **OASIS can provide both commercial and non-commercial services.**
- **OASIS core disciplines include program management services, management consulting services, logistics services, engineering services, scientific services, and financial services.**

***SRC is a Prime Contractor in OASIS SB Pool 6 and OASIS Unrestricted Pools 1, 3, 4, 5A, 5B, and 6.***

# OASIS SUPPORT
